SERVICE PROVIDER:	**CLIENT:**
Vanguard Systems	CBE
DATE:	**AGREEMENT STATUS:**
October 12, 2026	Active

1. Purpose & Scope of Work

This Service Agreement ('Agreement') outlines the terms and conditions under which Vanguard Systems ('Developer') will provide custom website development and technical management for CBE ('Client').

• **Custom Website Build:** The Developer will design, build, and deploy a custom, mobile-first website tailored to the operational requirements and branding specifications of CBE.

• **Technical Deployment:** Implementation of security configurations, performance tuning, and cross-browser responsiveness prior to launch.

2. Hosting & Infrastructure Management

• **Developer Hosting Infrastructure:** Secure cloud hosting and server management are maintained directly on the Developer's infrastructure to ensure optimal uptime, security, and hassle-free operation for the Client.

• **Domain Name Responsibilities:** The Client remains responsible for covering the yearly domain name registration and renewal fee (approx. $120 TTD/year) to maintain web address ownership and activity.

3. Financial Terms & Setup Fee

• **One-Time Build Fee ($1,000 TTD):** The Client agrees to a one-time setup fee of $1,000 TTD for custom website development, layout configuration, and initial content onboarding.

4. Pay-As-You-Go Maintenance & Invoicing Policy

Rather than a fixed monthly retainer, ongoing maintenance, updates, and technical support operate on a flexible, pay-as-you-go model.

• **Per-Task Billing:** When the Client requests updates, modifications, or fixes, an invoice will be issued for that specific task. All pay-as-you-go maintenance invoices are due within fourteen (14) calendar days of the invoice issue date.

• **14-Day Service Suspension Policy:** If a pay-as-you-go maintenance invoice remains unpaid after fourteen (14) calendar days, Vanguard Systems reserves the right to temporarily suspend website hosting and online availability until the outstanding balance is cleared in full. Services will be restored immediately upon payment.

5. Client Responsibilities

The Client agrees to provide necessary text content, high-resolution imagery/media, branding assets, and feedback in a timely manner to facilitate project delivery.

6. Signatures & Acceptance
